## STEEPLE TO PEOPLE MINISTRIES, INC

### Statement of Faith...

We believe in the Bible as the inspired Word of God.

We believe that Jesus is the way, the truth, and the life, and that no one can come to the Father except through him. (John 14:6)

We believe that all persons are sinners, and that it is only through faith and God's grace that any can be saved.

We will cooperate with other missions, church organizations (whether Denominational or non-denominational), philanthropic organizations and agencies.

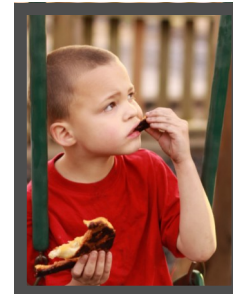

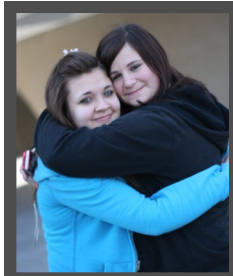

We seek always to cooperate and not to compete.

We dare to step out in faith, even when criticized.

We trust in God to provide funds, materials, and servants for His work.

# Steeple to People

**What is Steeple to People?**  
S.T.P. Ministries began in 1982 out of a growing concern for the Church to better serve the community. From the beginning, S.T.P. Was founded as a "faith ministry", meaning that we look to God in faith to provide for all the provisions (finances, materials, people...) to support the ministry. Our goal is to bring the Church to People by utilizing the skills, talents, and resources of Christians to meet the needs in our community.

**Food Bank**  
Thanks to generous donations we are able to offer food to those in need. If you find yourself in need of food contact us for assistance. If you would like to help out with this ministry call Steeple to People for information about donating food.

Hours  
Mon., Wed., - Fri. 8-3  
Sat. 8-12

## Thrift Store

4670 Horseshoe Pike

Many faithful volunteers come to sort and price clothes. We would like to provide a place for people to buy reasonable priced clothes and other needed household items. It is also very important to us that our business is run in a Christ-like way and each person is treated kindly and offered a listening ear. We are pleased to say that all the funds from the thrift store are used to support the other ministries of Steeple to People Ministries. If you would like to contribute clothes please drop them off during our open hours. If you are interested in volunteering; stop in to talk to us about that.

**Refuge House**  
We have a home available for people to stay on a short term basis. The purpose of this home is to be able to offer a place for people to live while they get a job and can get a place of their own.
